

Turning 40

Ciao!

On **Friday, September 19th**, starting **9.30 PM**
join me and my friends at **Monster Ronson's Ichiban**
(Warschauer Straße 34 · 10243 Berlin-Friedrichshain)

You can drink with us, sing with us, dance with us...
or simply stay and have fun with us!

At the entrance you can say you are with Gianni, and they should let you in for free:
I have reserved the big room **ELVIS**, and there is the bar/lounge and the open big stage.

I hope you can join us to have fun ...
... and to help me forgetting that [I am not a young man anymore.](#)

Looking forward to seeing you,

Gianni
